

July 15

[REDACTED]

Dear Peter,

Hooray! I don't know how you voted but I am delighted with the decision to take WTL coed. It will take a lot of effort to make it work, but I think it was the only way to maintain academic standards.

I'm ready to redouble my efforts as class agent and do whatever else I can to help.

[REDACTED] sends best to you and Betsy.

Cheers
