[REDACTED]

Dear [REDACTED]:

Just a note to acknowledge and thank you for your nice letter of May 25 regarding coeducation at Washington and Lee.

The trustees are pleased to have all the input we can get from alumni and friends as we debate this very important subject. If nothing unforeseen happens we expect to make a decision at a special meeting July 13-14, 1984.

Kindest regards.

Sincerely yours,

[REDACTED]
