

[REDACTED]
June 1, 1984

Dear [REDACTED],

Thank you for your thoughtful letter about co-education at our alma mater. It is one of a very few in the deluge of mail I have received which is in favor of co-education.

The enclosed copy of my letter to Mr. Ballengee and other trustees expresses my present position.

I was a member of the Board of Trustees when you were a student, but was re-tired in 1973.

Sincerely yours,
[REDACTED]
