

June 25, 1984

Dear :

Please accept my apology for taking so long to acknowledge and thank you for your May 25th letter to me as a Trustee of Washington and Lee University. I appreciate very much your having shared with me your thoughts relative to the coeducation issue. It is important to me to have them.

I hope my attached letter will offer a satisfactory explanation for my delay in responding and will further provide a helpful personal viewpoint on the coeducation study process.

Sincerely,

Enclosure
