

May 31, 1984

Dear 

Your letter of May 25th is most helpful, and I would say refreshing. Thank you for it.

The decision as to whether to go coeducational at the undergraduate level will be made in mid-July. I have enough respect for the Board of Trustees to feel that the decision, whatever way it goes, will be the right one for the time.

With best wishes to you,

Sincerely,
